NEIGHBORHOOD OVERVIEW

The South Waterfront neighborhood of Portland is situated just south of the downtown city center and bordered by the Willamette River and Interstate 5. Along with several Oregon Health and Science University (OHSU) buildings, direct access to the main OHSU campus via the tram, Elizabeth Caruthers Park, and numerous local and regional retail tenants, the South Waterfront is home to 4,269 residential units, making it one of the densest neighborhoods in the city. OHSU is ranked as one of the top hospitals in the state and has approximately 20,000 employees and 4,800 students. The hospital is undergoing an expansion that will see an additional 5,000 employees to the area in 2026. The South Waterfront is conveniently accessible to the city center via the waterfront greenway and Portland Streetcar, as well as the Tillikum Bridge providing access across the river to the Central Eastside, OMSI and the Oregon Ballet Theater.
